Below the surface, you will find that there is much more to swimming pools than meets the eye. The National Swimming Pool Foundation® Certified Pool Operator® Certification Course provides a wealth of information to anyone involved with pools. On behalf of Pool Operation Management, you will receive essential training along with other valuable information and resources.

In over 45% of the USA, state law mandates a pool operator at all pool facilities in New Jersey, New York, Massachusetts, Maine, Maryland, West Virginia, Delaware, the District of Columbia, and several counties in Pennsylvania and Virginia. To achieve the highest level of quality training, you should rely on a team of award winning experienced professionals...

### POOL OPERATION MANAGEMENT

To improve your facility or business, we invite you to join the thousands of others who have made POM the first choice for all pool operation needs.

POM has been teaching pool training courses throughout the U.S. for over twenty years. As a nationally recognized organization, POM certified over 10 percent of the students worldwide last year. Our name has become synonymous with the highest level of quality and excellence in training in the pool industry.

**NOW** is the time to be trained by a licensed professional instructor. We offer many classes at a variety of convenient locations. Additional CPO® certification courses may be scheduled at your location and at your convenience.
